Amtrak - Parking Information Bulletin

Overnight parking in the Big Four Depot lot is prohibited.

There are 4 parking spaces designated for short-term Amtrak passengers in the Big Four Depot lot located on 2nd Street in downtown Lafayette. Short-term parking is intended for daily commuters who depart from and return to Lafayette the same day. Passengers who require long-term or overnight parking must park in the Tippecanoe County Parking Garage located at 210 Columbia Street. In both instances, a permit is required, and parking is free of charge.

Please call a member of our Parking Operations Department at 765-807-1160 or email us at parking@lafayette.in.gov five to ten business days in advance of your trip and we will provide a permit allowing you to park in the Big Four Depot lot, or the Tippecanoe County Parking Garage. An Amtrak volunteer, if present, may also provide a parking permit the day of departure. Additional 2 hour parking spaces are available at the Big Four Depot lot to drop off, or pick up, passengers.
